

HOSSAM BTETY

Less noise
More power

Brand-focused Graphic Designer driven by creativity, precision, and continuous growth. I craft bold, visually striking designs that don't just look good—but communicate, influence, and build strong brand identities.

I actively integrate AI tools into my workflow to optimize time, push creative boundaries, and deliver faster, smarter results.

Passionate about branding, I pay attention to every detail to ensure each visual tells a story and creates a memorable impact.
